

Royal Escape Race 2024 – Immigration / Border Summary

Steps that skippers must take for border control purposes

UK

Go to spcr.homeoffice.gov.uk and create and save a voyage plan.

Submit the voyage plan 4-2 hours before leaving the UK

Do the same for the return trip

France

Use the link on the Sussex YC website or search PAF Le Havre

Before leaving the UK submit a PAF form for each crew member (N.B. in 2023 we were asked to submit these as far as possible in advance)

Keep a print out of the form since this might be required in Fecamp

Passport Procedures at SRF

Present your passport and PAF form to the French Border Police who will be at the SRF on Saturday morning from about 10.00 French time. Make sure they stamp your passport for entry and, if you are not staying in France, for exit.
