Notes:

* Spring IRC ratings from 2025 will be initially applied to the Spring 2026 series but replaced by valid 2026 ratings when available.

#The IRC Long Inshore and Offshore ratings are the same as for the Inshore Series unless a different 2026 certificate is specifically applied.

The IRC Spring rating continues to apply unless a revised number is shown in Summer or Autumn.

IRC ratings are only shown when the Race Secretary(s) has had sight of a valid IRC rating certificate.

SYC IRC Handicap for Inshore races is based on the boats actual performance up to the end of the previous Inshore series.

SYC IRC Handicap for Long Inshore races is based on the boats actual performance up to the end of the previous year's Long Inshore series.

SYC IRC Handicap for Offshore races is based on the boats actual performance up to the end of the previous year's Long Inshore series.
